

SA STANGS SPONSORSHIP OPPORTUNITIES

The SA Stangs Youth Football Organization can only achieve its 2012 goals with the assistance of generous donations and sponsorships from local members and business owners in our community. Without these tax-deductible donations and sponsorships, serving the young men in our organization would not be possible. And since our organization relies on the generosity of individuals, we ask you to consider a donation or sponsorship to help further our cause. Donations help sustain our organization and allow us to benefit the community which we serve.
